THIS AGREEMENT is entered into by and between the King County Library System (hereinafter referred to as Library or Employer, interchangeably) and the Washington State Council of County and City Employees, American Federation of State, County and Municipal Employees, AFL-CIO, Local # 1857 (hereinafter referred to as Union).

ARTICLE 1 – RECOGNITION AND BARGAINING UNIT

- 1.1. Pursuant to RCW 41.56, the Employer hereby recognizes the Union as the exclusive bargaining representative for all full-time and regular part-time Pages, certified by the Public Employment Relations Commission as set forth in Case Number 10117-A dated November 21, 2008, and all those subsequently certified or recognized as being in the same unit Supervisory, minors (under the age of 18), confidential, casual and all other employees shall be excluded. The bargaining unit status of new positions will be resolved by mutual agreement or by applicable procedures through the Public Employment Relations Commission.

ARTICLE 2 – UNION MEMBERSHIP

- 2.1. All employees, on or before the 30th day following the date of execution of this Agreement, shall begin paying dues to become and remain members in good standing in the Union or shall pay an equivalent agency fee to the Union in lieu of monthly Union dues. The Union agrees to follow all legal requirements with respect to collecting dues and agency fees.
- 2.2. After the initial thirty (30) day period after the execution of this Agreement, all eligible new employees shall join the Union within thirty (30) calendar days from their date of hire and maintain their membership in good standing during the term of the Collective Bargaining Agreement. The Library shall provide each new employee with a Payroll Deduction Authorization card for the deduction of monthly Union dues.
- 2.3. Objections to joining the Union which are based on bona fide religious tenets or teachings of a church or religious body of which such public employee is a member will be observed pursuant to RCW 41.56.122(1).
- 2.4. Within fifteen (15) working days of the employee's date of hire, the Library shall notify the Union in writing of the following information: Name, address, phone number, job classification, step, work location, and date of hire.

- 2.5. Neither party shall discriminate against any employee on account of membership or non-membership in the Union.
- 2.6. Upon the written authorization of any public employee within the bargaining unit, the Library shall deduct from the pay of the public employee the monthly amount of dues as certified by the secretary of the Washington State Council of County and City Employees and shall transmit the same to the treasurer of the Union. The Union will indemnify, defend, and hold the Library harmless against any claims made and any suits instituted arising out of the administration of this Article.

ARTICLE 3 – UNION ACCESS/BUSINESS

3.1. Union Access/Business

The Union will send a letter to the Director of Human Resources listing the names of its Local officers and stewards, within ten (10) calendar days of selection.

Library work hours shall not be used by employees or Union Representatives to conduct Union business, except as provided in this paragraph or by other agreement between the Union and the Library. With prior notice, the Employer will grant employees who are Union officials or stewards (up to one per meeting) reasonable time off with pay for the purpose of attending scheduled meetings with Library officials, for attending meetings at which a presence is requested pursuant to Section 5.3 of this Agreement, and pre-disciplinary meetings. Nothing in this Agreement shall require that the meeting be scheduled during the Union officials' working time. If they receive phone calls from unit members during working time asking to discuss Union business, stewards or Union officials may participate in the calls for a brief period for the purposes of scheduling another time for grievance or investigation meetings.

The Staff Representative of the Union may visit the work location of employees covered by this Agreement for administration of this Agreement upon prior notice to the Manager of the facility or department.

3.2. Contract Negotiations

Contract negotiation sessions will be established by mutual agreement.

3.3. Email and Bulletin Boards

The Union may not use the in-house email for Union business without prior written consent of the Director of Human Resources or designee, except that Union officers may use in-house email and telephone for

communication with APT members and the Director of Human Resources regarding scheduling and issues pending before the Union and the Library. For this bargaining unit, the Union shall be authorized to share space on bulletin boards and clipboards already provided to the Union for other bargaining units it represents for meeting notices, election notices, and contact information for stewards and union officials.

3.4. Human Resources Documents

The Director of Human Resources or designee will provide a copy to the Union President of any official KCLS Human Resource documents it posts on Library facility/staff bulletin boards affecting wages, hours, or working conditions of bargaining unit members.

3.5. Union Information for New Hires

The Library will provide the President of Local 1857 or designee the following information at regular payroll intervals: name, address, classification, work location, date of hire and scheduled hours.

3.6. Union Donated Leave Bank

KCLS will permit bargaining unit pages to make donations to and withdrawals from the Leave Bank created in the Local 1857 Main Unit agreement, under the same terms and conditions as employees in the Main Unit.

ARTICLE 4 – MANAGEMENT RIGHTS, RESPONSIBILITIES

4.1. The Union recognizes that the Employer has an obligation to the public to provide the highest quality of service in an efficient and economical manner. The Union further recognizes the right of the Employer: to operate and manage its facilities, including the right to classify jobs, determine standards of performance, and maintain order and efficiency; to direct employees and determine job content, job assignments; to establish work locations, work hours, and work schedules; to determine the services to be provided to the Library's constituents, systems, methods, materials, and equipment to be used; to change operational systems, methods, procedures, and equipment; to determine staffing requirements; to determine the kind and location of facilities; to determine the locations to which employees report to work; to determine whether the whole or any part of the operation shall continue to operate; to assign work and contract or subcontract for goods and services; to recruit, select and hire employees; to promote, demote, transfer, lay off, or recall employees; to progressively discipline or discharge employees for cause; to assign overtime work to employees; and to promulgate rules, regulations, and personnel policies. The exercise of management

rights shall not be subject to the grievance procedure, except as limited by an express provision of this Agreement as set forth in other Articles.

- 4.2.** Prior to implementation of new policies or changes during the term of the Agreement affecting wages, hours, and working conditions, the Union shall have the right to review and comment on the proposed policies/changes. The Union may respond with its comments within three (3) calendar weeks of receipt of the proposed changes.

If the Employer does not receive comment, implementation by the Employer may occur. Upon written request of the Union during the above period, a period of negotiations will start within seven (7) calendar days.

Sixty (60) days after the start of negotiations, implementation by the Employer may occur. However, negotiations may continue if more time is needed to address the impact of the change upon wages, hours or working conditions.

- 4.3.** If a subcontracting decision involves the potential layoff of bargaining unit members, the Library shall provide the Union a description of the services to be performed and a statement of purpose supporting its consideration of subcontracting of such work. The Union will be given the opportunity to present alternatives to the subcontracting of such bargaining unit work, within thirty (30) calendar days of notification.
- 4.4.** The Employer will notify the Union in the event a bargaining unit position is eliminated.
- 4.5.** The Employer is engaged in a project to determine future services. If the Employer makes changes to its operation as the result of the project, it will negotiate the effects of the changes on the bargaining unit with the Union.

ARTICLE 5 – DISCIPLINE AND DISCHARGE

- 5.1.** The Employer may progressively discipline or discharge any post-probationary employee for cause¹. KCLS reserves the right to use its discretion as to what level of discipline is appropriate in a given situation. The disciplinary steps outline in Section 5.2 may not all be taken or may not be taken in the order outlined if KCLS determines the situation requires a different approach.

¹ A new employee who is in his/her probationary period may be disciplined or discharged from his/her employment without cause. An employee in his/her probationary period in a promoted position may be removed from the promoted position without cause pursuant to Article 14.3.

5.2. Disciplinary action or measures are limited to the following, unless the parties mutually agree otherwise:

- 5.2.1.** Written warning
- 5.2.2.** Suspension without pay
- 5.2.3.** Demotion or reduction in pay
- 5.2.4.** Probation
- 5.2.5.** Discharge

Verbal warnings shall not be considered disciplinary action.

5.3. Should an employee be asked by his/her supervisor to a meeting in which the employee is being investigated for potential discipline or a pre-disciplinary meeting, the employee may request that a Union Representative be present for the meeting. The employee's request shall not unduly delay the meeting and shall not be dependent on the presence of any particular Union representative.

5.4. A copy of any formal disciplinary action will be given to the employee. The employee shall sign and date the written copy as acknowledgment of receipt. The employee's signature thereupon shall not be construed as an admission of guilt or concurrence with the action, but rather as an indicator that he/she has been made aware in writing of the disciplinary action taken, a statement of the facts and the corrective action required.

5.5. Written reprimands will not be considered by KCLS for any internal purposes after eighteen (18) months if no further incidences occur within the eighteen (18) months.

5.6. The employee may appeal formal disciplinary action to the appropriate APT member in the chain of command. The APT member shall retain the sole authority to make the final decision with regard to discipline and/or discharge of any employee, subject to appeal procedures set forth in Article 6, Grievance Procedures

5.7. Disciplinary action will be communicated by the Employer to the employee in a nonpublic area.

ARTICLE 6 – GRIEVANCE PROCEDURES

6.1. A procedure is hereby established as a means to resolve grievances. The Union and Employer agree that the grievance procedure shall be the sole and exclusive method for resolution of disputes between an employee and the Library or the Union and the Library for all claims of breach and/or violations of the Labor Agreement.

6.2. Definition of Grievance

A grievance shall be defined as a claim or dispute by an employee or the Union on behalf of an employee or group of employees with respect to a violation of the express provisions of this Agreement. If the parties mutually agree, the timelines set forth may be extended on a case by case basis. If a grievance is not presented by the employee or the Union within the time limits set forth below, it shall be considered “waived” and may not be further pursued by the employee or the Union. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer’s answer. If the Employer does not answer a grievance within the specified time limits, the Union may elect to treat the grievance as denied at that step and appeal the grievance to the next step. The parties agree to make every effort to address grievances promptly at the earliest stage in the process.

6.3. The following Steps shall apply:

6.3.1. Step 1: A grievance shall be presented in writing by the aggrieved employee and/or the Union within ten (10) working days of the incident giving rise to the alleged contract violation to the employee’s direct supervisor, or designee. The supervisor should consult and/or arrange a meeting with the employee if necessary to address the grievance. The supervisor shall answer the grievance within ten (10) working days after receipt of the grievance.

6.3.2. Step 2: If not resolved above, the grievance shall be submitted to the manager over the direct supervisor in the chain of command, or designee, in writing by the Union within ten (10) working days following the completion of Step 1. The written grievance shall include a statement of the issue, the section(s) of the Agreement allegedly violated, facts of the case, and remedy sought. A meeting shall be arranged within ten (10) working days with manager, the grievant and the Union. Following that meeting, the manager shall give a written response within ten (10) working days of the completion of the meeting.

6.3.3. Step 3: If not resolved above, the grievance shall be reduced to writing and submitted by the Union to the appropriate APT member in the chain of command, or designee. A meeting shall be arranged within ten (10) working days between the APT member (or designee), the grievant and the Union. The APT member or designee shall then submit a decision, in writing, on the grievance within ten (10) working days from the completion of the Step 3 meeting. Copies of the decision shall be provided

to the grievant and the Union. If resolved, the basis for resolution shall be reduced to writing and signed by both parties.

6.3.4. Termination Grievances: Grievances concerning the termination of an employee shall be initiated at Step 2 (Section 6.3.2 above). If such a grievance is not resolved at Step 3 (Section 6.3.3 above), the Union may submit the grievance to the Library Director or designee. A meeting shall be arranged within ten (10) working days between the Library Director (or designee), the grievant and the Union. The Library Director shall then submit a decision, in writing, on the appeal of the grievance within ten (10) working days from the completion of the meeting. Copies of the decision shall be provided to the grievant and the Union. If resolved, the basis for resolution shall be reduced to writing and signed by both parties.

6.4. Mediation

The parties may jointly request mediation within ten (10) working days of issuance of the Step 3 response. Such request shall be in writing and the Step 3 grievance shall be attached to the request, which shall be filed jointly and signed by the President of the Local and the APT member, or designee. The purpose of mediation shall be to facilitate resolution of the grievance regarding interpretation of contract language. The location and time(s) for any mediation meeting shall be by mutual agreement of the parties in consultation with the assigned mediator. At any time during the mediation process, either party may, by written notification, terminate the mediation.

6.5. Arbitration

6.5.1. Appeal Procedure: In the event the decision reached by the APT member or designee (or Library Director or designee in the case of termination grievances) is unsatisfactory to the Union, the grievance may, within fifteen (15) working days after the receipt of the APT member's decision, be submitted to arbitration. It shall be understood that the APT member shall be the last step of the grievance procedure for disciplinary action up to and including a written warning. Suspension without pay, demotion, disciplinary probation and discharge are subject to grievance arbitration. If the parties fail to mutually agree upon an Arbitrator, a list of seven (7) names shall be requested from the American Arbitration Association. The parties shall alternatively strike names, beginning with the respondent, until one (1) remains, and that person shall serve as the Arbitrator. If referred to arbitration:

- 6.5.1.1. The Arbitrator's decision shall be final and binding;
- 6.5.1.2. The Arbitrator shall be empowered to render a decision based on interpretation of the contract only and shall not add or delete from the provisions of this Agreement; and
- 6.5.1.3. The Arbitrator shall render a decision within thirty (30) calendar days after the hearing has been concluded or after the submission of post-hearing briefs by the parties (whichever is later).

6.5.2. **Expenses and Fees:** It is agreed that the expenses and fees of the Arbitrator shall be paid by the non-prevailing side. In a situation where the decision is not clearly one way or the other, the Arbitrator shall establish percentages for payment purposes. The Library and the Union shall each bear the cost of presenting its own case (including Attorneys' fees).

6.6. Election of Remedies

All grievances should be resolved through the grievance procedure. Processing a grievance by the Union or employee through the grievance procedure shall constitute an election of remedies and a waiver of other administrative remedies. The arbitration step of this grievance procedure shall not apply to any matter that pre-dated the effective date of the Agreement.

ARTICLE 7 – WAGES

- 7.1. All employees recognized as part of the bargaining unit shall be compensated based on the Library's salary schedule for Local 1857 Pages (see Appendix A).
- 7.2. Step Advancement: Employees shall be moved to the next step in the Grade on the first day of the first payroll period following their anniversary date.
- 7.3. Effective January 1, 2010, the applicable salary schedule shall be adjusted the same as the applicable salary schedule in effect for library employees generally.
- 7.4. Effective January 1, 2011, the applicable salary schedule shall be increased by 1.75% in recognition of the elimination of a premium for work on Sundays.

- 7.5. After implementation of the 1.75% salary adjustment in 7.4, effective January 1, 2011, the new applicable salary schedule shall be adjusted the same as the applicable salary schedule in effect for library employees generally (excluding any adjustment due to a buyout of Sunday premium and except as modified if the contract is reopened pursuant to Article 18).
- 7.6. Effective January 1, 2012, the applicable salary schedule shall be adjusted the same as the applicable salary schedule in effect for library employees generally.
- 7.7. Wages assigned to bargaining unit classification changes and new classifications shall be established by the Employer. The Union will be provided a copy of such change and/or assignment of new classification. - 8.4. **Shift Exchange.** Two employees assigned to work in the same department, operational section, or cluster may temporarily exchange their scheduled shifts with prior approval of the employees' immediate supervisor(s). No overtime or pay for working out of classification will be created by a shift exchange.
- 8.5. **Schedule Change.** When changing an employee's regularly scheduled hours, the Employer shall give as much notice as practicable, but no less than two (2) weeks' notice, unless a shorter notice is mutually agreed between the employee and the employee's supervisor(s). When disciplinary action is involved, or in the case of emergent conditions outside the Employer's control, the supervisor can temporarily change an employee's regularly scheduled work hours with shorter notice.
- 8.6. **Rest Period.** Employees shall receive one ten (10) minute rest period for each four (4) consecutive hours worked. Employees are not

8.9. Inclement Weather and Emergency Closings. In the event of inclement weather or emergency closures, employee hours of work will be determined pursuant to KCLS policy.

8.10. Sunday Hours. When Sunday hours are available at a branch library, such hours shall be assigned to qualified employees in the following order:

- (b) On a voluntary basis, to those community library employees within the same cluster whose library does not have Sunday hours.

- (d) By assignment in order of inverse seniority, to employees with cluster status within the same cluster.
- (e) By assignment in order of inverse seniority, to community library staff at the same library.

8.11. Evening Shifts. KCLS will generally limit evening shifts to two per work week, but the parties recognize that exceptions for legitimate business purposes will be made, including but not limited to, evenings determined by agreement with the employee, employees specifically hired for evening shifts, attendance at meetings, specific program elements, additional assignments/extra hours, and changes in library open hours. An evening shift shall be defined as a shift that ends later than 7 pm (excluding post-closing activities of short duration).

8.12. Substitute Hours. When a substitute will be used and KCLS has at least one day's notice of the need, KCLS will first offer the hours to those regular pages in the cluster or department (regardless of inclusion in the bargaining unit) who are eligible for substitute hours at straight time

rates and without modification of benefit eligibility. The offer may be accomplished by general distribution, either electronically or otherwise, to employees in the cluster. The parties acknowledge that the manager must fill the hours promptly.

ARTICLE 9 – INSURANCE BENEFITS

Further layoffs shall be made by inverse seniority within a primary work location, with the least senior Page being laid off first, provided that the remaining Pages are able to work the hours needed. The recalled Page shall work the hours available and shall not displace other Pages from hours.

²"Project" employees are employees hired for a specific project with a start and end date identified when hired.

- 15.6.2.** Their recall rights shall be limited to a period of eighteen (18) calendar months from the date of workforce reduction.
- 15.6.3.** Any employee with authorized hours of twenty (20) per week whose regular schedule has been reduced by twenty percent (20%) or more hours per week shall be placed on the recall list in accordance with seniority in the classification affected and shall be offered additional hours (up to a total of twenty) before other employees in the classification affected are given additional hours.
- 15.6.4.** Recalled employees shall receive written notice. To hold open the position to which an employee is being recalled, the employee must confirm his/her intent to return to the Library's employment within seven (7) calendar days of receipt of the recall notice. Employees who notify the Library of their intent to return to work, within the established timeline, must report to work within twenty-one (21) calendar days of receipt of the written recall notice. If an employee does not report to work within the timeline, he/she shall have his/her name removed from the recall list.
- 15.6.5.** A reopened or new position within the cluster shall not be posted as long as there is an individual on the recall list who was laid off from that classification.
- 15.7.** Employees whose names are on the recall list will be given first notification regarding substitute hours at the location the employee worked prior to layoff. The first person to respond will be given priority for such substitute hours.
- 15.8.** Any employee who voluntarily transfers in lieu of layoff will be incorporated into the recall list for eighteen (18) months as outlined in Section 15.6. During this period, such employees shall have the right to return to a position that becomes available in the same classification with the same authorized hours in the same department or cluster from which the employee was transferred. If the transferred employee declines this opportunity, the employee's name shall be removed from the recall list.

ARTICLE 16 – HEALTH AND SAFETY

- 16.1.** All work shall be done in accordance with State and Federal safety codes and Library safety policies.
- 16.2.** Where required, employees will be furnished personal protective equipment by the Employer in accordance with the Employer's policy and

will be required to wear said equipment when performing certain work. Failure to do so may result in disciplinary action.

- 16.3. The Library has the right to implement fit for duty policies and procedures including drug and alcohol testing. Such policies shall be consistent with the mutual commitment of the parties to support policies that promote a workplace free from substance abuse.
- 16.4. Local 1857 may appoint one Page as a representative to the Library's System-wide Safety Committee.

ARTICLE 17 – SAVINGS CLAUSE / SUPREMACY OF AGREEMENT

- 17.1. If any Article of this Agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article should be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby and the parties shall on request of either party enter into immediate collective bargaining negotiation for the purpose of arriving at a mutually satisfactory resolution of such Article.
- 17.2. This Agreement, upon ratification, supersedes and provides no contractual right to all prior practices and agreements, whether written or oral, unless expressly state to the contrary herein, and constitutes the complete and entire agreement between the parties, and concludes collective bargaining for its term. Any conflict between this Agreement and Library Policies and Rules shall be governed by the terms of this Collective Bargaining Agreement.

ARTICLE 18 – DURATION OF AGREEMENT

- 18.1. This Agreement shall be in full force and effect upon date of signing and shall continue until December 31, 2012.

Notwithstanding the above, if the voters approve lifting the Levy Lid (as imposed by Washington State Initiative 747) in the Referendum on February 9, 2010, either party may reopen Article 7 for the purpose of wage negotiations. To reopen, the desiring party must deliver written notice to the other party at least sixty (60) days prior to September 1, 2010 or thirty (30) days after the certification of the election results, whichever is later. If notice is given, bargaining will begin September 1, 2010.

ARTICLE 19 – RETIREMENT

- 19.1.** During the term of this Agreement, employees shall continue to participate in the Washington State Public Employees' Retirement System in accordance with and subject to the provisions of the statutes of the State of Washington now applicable or as they may hereafter be amended.

ARTICLE 20 – NONDISCRIMINATION

- 20.1.** Any claim of unlawful discrimination shall be pursued through the complaint resolution procedure set forth in KCLS Policy 200.05, Section 6.8. The claim shall be made by the employee, on his/her own behalf or by the Union, on behalf of the employee.

ARTICLE 21 – PERSONNEL FILE

- 21.1.** The Human Resources Department maintains official personnel records and files. Materials placed in an employee's official personnel file after his/her date of hire shall be available for review by the employee with the Library Director of Human Resources or designee at a mutually agreeable time.
- 21.2.** An employee shall be notified by his/her immediate supervisor or by the Library Director of Human Resources when written materials that may have an adverse effect on his/her employment are placed in the employee's official personnel file. A copy of such materials shall be provided to the employee.
- 21.3.** The employee may respond in writing within ten (10) working days after receiving a copy of materials in his/her official personnel file which he/she has reviewed and judged to have an adverse effect upon his/her employment. The employee's written response shall be attached to the materials and shall become a part of his/her written personnel records.
- 21.4.** This Article shall supersede KCLS policies and constitutes the complete agreement of the parties regarding personnel files.

ARTICLE 22 – NO STRIKE/NO LOCKOUT

- 22.1.** Neither the Union nor any officers, agents, or employees will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, secondary boycott, residential picketing, slowdown, speed-up, sit-down, concerted stoppage of work, concerted refusal to perform overtime,

concerted, abnormal, and unapproved "work to the rule" situation, mass resignations, mass absenteeism, or any other intentional interruption or disruption of the operations of the Library, regardless of the reason for so doing. Any or all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined by the Library.

- 22.2.** The Employer agrees not to lockout employees during the term of this Agreement.
- 22.3.** In the event of a violation of this Article the Union agrees to inform its members of their obligations under this Agreement and to encourage and direct them to return to work by all means available under its Constitution and By-laws.
- 22.4.** The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

ARTICLE 23 – LABOR/MANAGEMENT COMMUNICATIONS MEETINGS

- 23.1.** This Article creates a Labor/Management communication procedure to initiate and enter into non-adversarial discussions regarding matters of general concern to management or employees of the Library, consistent with the purpose of this Agreement, as opposed to grievances. It is understood that any matter that has been made the subject of a formal grievance under the terms of the Labor Agreement shall be excluded from consideration under the Labor/Management communication procedure, unless mutually agreed.
- 23.2.** It is further understood that (unless otherwise mutually agreed) the work of the parties under the Labor/Management communication procedure shall in no way add to, subtract from, alter, or amend the Labor Agreement. Either the Union or the Library may propose to initiate discussion on a subject of a general nature affecting the employees of the Library. Such discussions will be entered into and conducted by mutual agreement.
- 23.3.** The Labor/Management Committee will be the Staff Representative of the Union, the President of Local 1857, the Director of Human Resources and an APT member. The coordinators of the Labor/Management communication procedure will be the President of the Union and the Director of Human Resources or their designees.
- 23.4.** The Labor/Management Communications meetings shall be held monthly but may be cancelled by mutual agreement. All scheduling shall be by mutual agreement.

- 23.6.** For the meetings described in Section 23.4 above, bargaining unit members will be paid for their regularly scheduled hours that overlap with the time spent in such a meeting and that overlap with the time spent traveling to the meeting, up to a total of two (2) hours per meeting. For those Union representatives who travel to a meeting from a branch location, the Library shall pay round trip mileage pursuant to KCLS policy.

Effective January 1, 2011, no additional premium shall be paid for work on a Sunday. Schedules will be re-done to be effective on or before January 1, 2011.
- 25.3.** Employees who are required to report to a community library to manage material flow on holidays shall receive one and one half (1.5) times their regular rate of pay for a minimum of two (2) hours, and shall also receive mileage to and from their residence. The Employer may assign sufficient work to fill the 2 hour minimum.
- 25.4.** When an employee is called back to work for an emergency when the facility is closed, he/she shall receive compensatory time or overtime payment at the rate of one and one half (1.5) times the employee's regular rate of pay for a minimum of two (2) hours or the hours worked, whichever is greater. Hours should be calculated to the nearest one-quarter hour.

- 25.7. Compensatory time for non-exempt employees may be accumulated to a twenty-four (24) hour maximum and will be scheduled by mutual agreement between the employee and his/her supervisor without restrictions to pay period or calendar year.
- 25.8. No wage payment will be made for any accrued compensatory time, except (a) upon termination of employment; and (b) once per calendar year for each employee, upon request of the employee.

ARTICLE 26 – SENIORITY

- 26.1. Seniority shall be defined as the most recent date of hire in a bargaining unit classification. Seniority shall not apply until an employee has completed his/her initial probationary period. On completion of his/her probationary period, the employee shall be credited with seniority from the most recent date of hire.
- 26.2. Seniority shall terminate on discharge, resignation, retirement, failure to return from an approved leave of absence, or if the employee does not report to work within the timeline set forth in Article 15.5.4.
- 26.3. Time of approved unpaid leaves of absence in excess of thirty (30) calendar days or layoff shall not count toward the computation of seniority.
- 26.4. The Library shall provide the Union with a seniority list in January of each year.

ARTICLE 27 – TRAINING

- 27.1. Pages will have equal access to training applicable to their respective job classification.

ARTICLE 28 – OPENINGS, TRANSFERS & NEW CLASSIFICATIONS

28.1. Available Hours

When the Employer determines that a vacancy exists in any existing or newly created classification covered by this Agreement and the Employer determines that the vacancy will be opened, a notice of such opening will

be published internally for employees covered by this Agreement for a minimum of seven (7) calendar days.

When the Employer determines that hours are available and will be added to an existing position(s), it shall notify the employees in the same classification within the cluster. Employees shall submit their interest in the hours, in writing or by email, within seven (7) calendar days of the notice. If more than one employee expresses interest, the Employer will determine the appropriate distribution.

28.2. Transfers

28.2.1. A transfer is defined as movement within a classification. Employees may make a transfer request by submitting required application materials.

28.2.2. For internal candidates, KCLS HR will obtain information about the candidate from current manager and provide that information to the hiring manager.

28.3. New Classifications

As of the date of this Agreement, only one classification exists in the bargaining unit. As a result, the parties have not determined rights and responsibilities regarding promotion, demotion, reclassification, work in a higher classification, and bumping rights in the event of a layoff. If it is determined that an additional classification within this bargaining unit shall be created, KCLS shall notify the Union. The Union shall have sixty (60) days from the notice to request bargaining of these issues. **APPENDIX A
LIBRARY SALARY SCHEDULE FOR PAGES**

MEMORANDUM OF AGREEMENT

In the interest of having a viable and professional workforce, and provide benefits for working families, the King County Library System and the Union recognize a mutual desire to provide for benefited Page positions of twenty (20) hours on a cost-neutral basis. Accordingly, the following program shall be followed on a trial basis:

1. KCLS has stated and maintains its goal of creating more higher-hour and full time positions within the Main Unit. As a result, it expects that some part-time benefited positions in the Main Unit will be combined to create higher-hour or full-time positions.
2. As part-time benefited positions in the Main Unit are combined to higher-hour or full time positions, KCLS may determine how to best allocate the dollars saved through the reduction of benefit packages. KCLS will give priority to applying benefits packages to page positions to meet the stated goals in paragraphs 3 and 7 below, and at least seventy percent (70%) of the benefit packages made available shall be allocated to the purposes of this trial program. Otherwise, KCLS retains the rights to allocate benefit packages or their dollar equivalents to other positions.
3. As Page hours become available in a cluster, if a saved benefit package is available, KCLS will offer the hours first to other Pages in the cluster or Department by seniority. A Page may only accept the hours in excess of fifteen (15) in a week if he/she (a) is able to work the twenty (20) authorized hours offered; and (b) will accept a saved benefit package.
4. If more than one Page in the cluster requests the available hours, the hours will be awarded to the Page with the most seniority that has had no disciplinary actions in the past eighteen (18) months. KCLS will work with the Page to develop a schedule that meets the needs of the library but does not place undue hardship on the Page.
5. A Page who commences a schedule of twenty (20) authorized hours shall continue to be eligible for benefits as long as he/she has twenty (20) authorized hours.
6. The parties shall monitor the progress of this program through the Labor-Management Committee.
7. The goal of the parties is to have a minimum of six (6) Pages with twenty (20) authorized hours and benefits by July 31, 2011. The parties expect that this will include one in Shipping, one in the Service Center, one in the Bellevue Regional Library and three in other branches (which may be branches in the pilot program for future services). If this goal is not achieved, either party may re-open this Article for further negotiations by

providing notice to the other by August 31, 2011. Once the six positions are created, the 70% allocation in paragraph 2 above shall continue in effect.
